AND REPORTS**

**EDUCATIONAL AND NONPROFIT INSTITUTIONS
RECEIVING PRIME CONTRACT AWARDS OVER \$10,000 FOR
RESEARCH, DEVELOPMENT, TEST, AND EVALUATION WORK**

FISCAL YEAR 1979

This report presents data on Department of Defense prime contract actions over \$10,000 for research, development, test, and evaluation (RDT&E) work awarded to educational and nonprofit institutions during fiscal year 1979.

There are three sections to this report which list contractors alphabetically by type of institution. The first section lists educational and other non-profit institutions in the United States; the second lists U.S. government agencies; and the third section lists foreign institutions and government agencies.

The locations shown are those where the work was expected to be performed. Generally, the location is an institution's laboratory or other facility. However, if the work was scheduled to be performed at a defense activity, such as an Air Force Base, the location is the defense activity rather than the institution's facility. The dollar amounts shown include only prime contract awards over \$10,000 for RDT&E work. They exclude any other services, such as training services, or any supplies furnished by these contractors.

The following table presents the number of institutions and the amount of RDT&E awards by type of institution for fiscal years 1978 & 1979.

| TYPE OF INSTITUTION | Fiscal Year | | | |
|--|-------------|----------------------|--------|----------------------|
| | 1978 | | 1979 | |
| | Number | Amount (Millions) | Number | Amount (Millions) |
| TOTAL | 346 | \$820 | 346 | \$999 |
| U.S. Institutions - Total | 323 | 793 | 320 | 982 |
| Educational | 202 | 496 | 190 | 574 |
| Other NonProfit | 121 | 297 | 130 | 408 |
| U.S. Government Agencies | 13 | 26 | 9 | 12 |
| Foreign Institutions and Government Agencies | 10 | 1 | 17 | 5 |

In fiscal year 1979, educational and nonprofit institutions received DoD prime contract awards over \$10,000 for RDT&E totaling \$999 million compared to \$820 million in fiscal year 1978. This represents an increase of \$179 million or 22 percent. This was a significant increase as the amount of these awards from 1977 to 1978 was \$99 million, or 14 percent. Awards to foreign institutions and government agencies showed the largest relative gain of all institutions, increasing from \$1 million in 1978 to \$5 million in 1979, an

increase of 400 percent. However, awards to other nonprofit U.S. institutions increased by \$111 million or 37 percent. The U.S. government agencies' decrease of \$14 million or 37 percent was due primarily to a procedural change in reporting. Small Business Administration 8A awards which were formerly credited to that agency are now credited to the actual contractor.
